

Clean Up The World 2017

In support of Dubai Municipality's participation to the annual voluntary campaign "Clean Up The World", several students, faculty members and administrative staff of Al Falah University contributed by tidying up the area surrounding the university.

The task which comes in response to the university's keenness to build and maintain the strong relationship with the community is part of AFU's Community Engagement activities for Academic Year 2017 – 2018 under the supervision of the Deanship of Student Affairs.
