

## Open Meeting between AFU VPAA and the Student Council

Dr. Sameer Barghouthi, Vice President for Academic Affairs met with the Students' Council together with Prof. Nasr Abbas, Dean of Student Affairs to hear and discuss the activities that took place during the past year and to evaluate them.

Also discussed were several important issues, among them proposals for the upcoming academic year 2017-2018.

At the end of the meeting, Dr. Barghouthi substantiated the importance of the Student Council and the role it plays in achieving AFU's goal towards excellence.

The council consists of 11 members representing most of the University's colleges and culturally diversified with student council members coming from different nationalities.
